VOYAGE OF SELF-DISCOVERY

Bored aboard a cruise ship, Beth discovers voyages can be very educational… when Brittany shows her that she's bi

I met her on one of those ships that offer three-day cruises. She was standing by the rail looking disconsolate. Not unhappy enough to make me think she was contemplating jumping, but she was definitely not going to be photographed for any ads depicting how much fun these cruises are.

After debating with myself for a few seconds, I walked over to her. "You look like you could use a friend," I offered.

She looked at me wistfully. "Right now I could. Actually I have plenty of friends…back home. On land. But onboard the ship, there's just my husband, and he's totally involved in the casino." Apparently he was spending all his time at the onboard gambling, an interest she didn't share.

"The ship certainly offers plenty of other activities," I offered, thinking I sounded like a member of the staff. "What do you like to do?"

Her face brightened with the thought: "I love to ride horseback."

"Well, I haven't noticed any horses on board," I said wryly. "What else? Cards? Bingo? Exercise?" From the look of her figure, she had to be into exercise.

But…no. "Uh-uh."

Then how did she come by that trim waist, the luscious, high, firm bustline, the trim thighs, the flab-free arms…? Was she one of those girls you hated because they just naturally had great figures? Apparently so. Although it was hard to hate Beth (as she told me her name was), because she was both sweet and sassy, as I discovered during the course of the next 10 minutes.

I also discovered that the cruise had been her husband's idea—a five-year-anniversary present—and that while he'd been having a grand time, she was miserable. "At night we go dancing for a while, and then it's fine, and the food is great, and I enjoy the pool, but I can't spend all day swimming, and I haven't the patience to lie in the sun and sunbathe." For the rest, it seemed, Beth's husband spent most of his time gambling, while she spent most of her time…bored.

"What else do you like besides horseback riding?"

"Shopping. Hiking. Spending time with friends."

"Bingo! I'll be your friend. Let's spend some time together."

"I'm not taking you away from something…or someone?"

"I'm here with my husband too, and we have different interests. Ours is no sob story—there's plenty we enjoy together, and I don't have that much 'alone time' to fill—but when he's in the gym, which is where he is now, or when he's in the casino, I have to find something else to do. Fortunately I do enjoy lying in the sun and tanning, and I've brought a few good books with me, too. But I'm always glad to find a new friend."

And lover? I wondered to myself. Might Beth be bi like me?

To cut to the chase, she was… but she didn't know it yet. I recognized her bisexuality when I got her back to my stateroom, put an arm around her shoulders, and she started to snuggle in to me, then stiffened. Testing the waters, I let my hand "accidentally" brush one of her boobs. There was no misunderstanding the shiver that ran through her body at my touch. One final test: As she got up, saying she had to get ready for lunch, I kissed her goodbye on the lips…and lingered. She started to return the kiss passionately but then pulled back.

"You send out such mixed signals," I said.

"I'd better go."

"No. Talk to me. You respond to me…and then you pull away."

"You're a girl!"

"You've never done anything sexually with another girl?"

Her eyes went wide, and she shook her head.

"Why not? You're obviously turned on by it."

"I'm straight. I'm married!"

"You're married…and you're bi. Trust me."

"Bi? Bisexual? Me??"

"Bi. Bisexual. You. Definitely. Here. Don't do anything—but don't run away." And I put my lips against hers and began kissing her. She tensed up totally, but after a minute, her body began to respond. Slowly she relaxed. And then a different kind of tension took over her body. Sexual tension. I put a hand on her breast. She stiffened again but didn't pull back, and after a minute, her body surged toward mine.

Keeping my right hand on her left boob, I used my left hand and arm to pull her toward me. As our bodies met, I deliberately ground hard against her. She responded, her midsection meeting mine, her thighs tensing, and her pussy pressing tight to mine. A little gasp escaped her mouth.

Sliding my hand down to her ass, I cupped her taut butt-mound and pulled her bottom harder against mine. Her pussy was so tense it was quivering. And then she began making little hunching motions, driving her whole body against me in a stand up, clothed fuck.

"Let's do this right. Lying down. Naked. Able to really enjoy it."

"It's almost lunchtime. My husband's going to be looking for me."

"Come back at 2. My husband will want to rest after lunch. Then we'll go for a swim together. Then he'll to hit the gym. That's not for me. But you are. The coast'll be clear by 2."

"What if he's still here?"

"No problem. Why shouldn't a friend be visiting me? And anyhow he knows I'm bi. No surprises. But I can hardly kick him out of the stateroom: 'Get lost for an hour, honey. Beth and I want to play.' No, I like to be more thoughtful than that. So we'll play when he's not here."

And we did. Beth was 20 minutes late showing up… and she admitted she'd almost chickened out totally. But she hadn't. And she was here. As I kissed her, my tongue probed her mouth, and once again her body surged against mine. Once again, she showed her need and lust as she pressed tight to me, and this time I removed her clothes, stripping each piece off slowly and kissing all the exposed areas, then licking lightly across the landscape of her body.

Beth wriggled with rapture as I covered her body with kisses and licks, her knees sagging at one point. I hastily stripped off her panties—the last item on her—and eased her down to the bed. Then, impatiently yanking my own clothes off, I sat beside her.

Beth's full boobs beckoned my mouth, and who was I to resist that invitation? I kissed her coral areolae, licking the upthrust nipple, savoring the firm, resilient breastmeat. Beth groaned loudly as I grazed one areola with my teeth, scraping delicately at the firm flesh, which stiffened as I nibbled at it.

Then I lay down in a scissors position on top of Beth, one leg between her legs, pressing down on her female cleft, while one of her legs pressed against my own pussy-mound. I noticed that her honey-blond pussy-hairs were softer, finer than my coarse brown pubies.

Scootching down, I planted my face in her cleft and inhaled deeply to breathe in her female essence.

Her pungent pussy-fumes invaded my nose and went straight to the pleasure center in my brain. Intoxicated by the strong scent, I thrust my tongue into her cleft and licked up the juices that had pooled there. Immediately more juices seeped from within her, bathing my face and intoxicating my brain with their scent. I settled my body along her leg, so that I could ride her leg and hump it while I thrust my tongue into her slit and pleasured her. The more I flicked my tongue across her clit, the more inflamed my own female parts became, and I began oozing juices copiously onto her ankle.

"What are you doing to me?" Beth moaned.

"If you don't know, I'm not telling you," I chuckled, reaching up for one of her boobs so I could knead the breastmeat and thumb the nipple while I licked her pussy-cleft. Beth hunched upward so sharply I thought she was having an orgasm. But I was wrong, as I realized when she continued driving sharply upward, breathing hard, struggling to come, throwing her body wildly into the air.

I decided to help her along. Bunching three fingers together, I drove them up her pussy-tunnel, then spread

them out when they were in her. Now I was finger-fucking her pussy while licking her clit while toying with her boob. Beth gasped, and this time she was climaxing, arching her body high in the air as she gave herself over to the throes of an orgasm. I kept, dragging my tongue across her clit over and over and over, till at last she weakly pushed at my head to signal No more.

I stopped. But I was still very needy myself. Though I left her pussy alone, I continued driving my own pelvic bone sharply against her leg. "What can I do for you?" Beth asked, still totally weakened from her orgasm but aware that I was very much unsatisfied.

"What do you feel up for?" I asked. "I didn't bring any toys on the cruise with me. Fingers? Tongue?"

"I—I could try tonguing you," she said hesitantly.

"Don't do anything you're not comfortable with."

"I said I could try. I'm not making any promises."

"Fair enough."

I crawled up the bed, lay down next to Beth, and felt her get up and scrunch down at the foot of the bed. Spreading out now that there was more room, I got comfortable, parting my legs and exposing my juicy pussy-cleft for Beth's attack.

It was a hesitant attack at first. The girl had clearly had no experience in eating out a pussy, and she was obviously uncertain if she could do it. She reached out her tongue and took one cautious, reluctant little lick. Then another. Then finally she put her tongue to my clit and took one long, serious swiping motion across the pointy tip of my clit. She was a little off-center, but her intentions were good…and the effect wasn't bad despite being off target.

Her next lap was more successful, and now she settled down between my legs, on her hands and knees, apparently persuaded that this was something she could handle. She began experimenting with different rhythms and strokes.

First she took long, slow, draggy laps at my clit, using the raspy sides of her tongue to scrape my tingling pleasure point. She repeated this action, dragging and dragging, going slowly, tantalizing me. Then, after a few minutes, she varied her plan of attack. Now she used the very tip of her tongue in something of a dueling motion, tip to tip, point to point, flicking rapidly, mercilessly.

From time to time, she stopped to swallow, and as she gulped audibly, I realized she was swallowing my pungent pussy-fluids as much as her own accumulated saliva. Then she returned to drilling my clit, her tongue flicking as fast as a hummingbird's wing, as light as a butterfly, as teasing as the southwind in summer.

Displaying her creativity—or maybe just using a form of play that she enjoyed herself—she placed three fingertips on the inner side of my knee, then trailed them slowly, delicately up my thigh, stopping when she reached the very top of my thigh, where leg meets torso and my pussybush covers the juncture. Returning to my knee, she did the same again, and again, then switched to the other leg and repeated the action there.

The teasing strokes made me that much hotter, and soon I was gasping, flinging my body upward in extreme need, and begging, "Get me off! Get me off!" Which was pretty irrational, because she was already doing everything she should have been doing.

"What do you want?" Beth asked, raising her juice-smeared face to ask.

"Don't stop! Don't talk—just eat me!" I gasped.

Beth swirled her hot tongue around and around my clit.

"Back on the tip! Get back on the tip!"

Beth obliged. She vibrated her tongue across my clit-tip in a fierce, demanding rhythm, while I humped up and down on the bed, wildly fucking the air. And finally I caught up to the elusive climax I needed so badly. Screeching far too loudly, considering our surroundings, I came off like a madwoman. Beth gripped my thighs and held onto me as I thundered through a massive pussyquake. Then I flopped back to the bed, exhausted, wrung out…and utterly satisfied.

Beth crawled up next to me. I kissed her, tasting myself on her tongue. "Thank you," I whispered.

I saw the cabin door open, my husband look in, then discreetly close the door again. Beth never knew. But a couple of minutes later, I suggested we get our clothes on. Beth looked disappointed. "There's always tomorrow," I said, and her face brightened.

My husband, I was sure, would be having a drink at the bar, waiting for me. And, now that he knew I'd had another "adventure," he'd want details. I'd save them for that evening. In bed. They'd make him extra-horny, extra-hot, and our sex would be even better than usual.

As for Beth, she'd be back tomorrow—no question in my mind about that.

This cruise wasn't turning out too bad after all. And I'll bet Beth finally thought so too.

LETTERS FROM OUR READERS

Letters that should or shouldn't have been written, or at least sent to us!

YOU'RE NOT UNDER ARREST

I work as a 45-year old plain-clothes security guard at a swanky Atlantic City Casino-hotel. My job is to be sure that the patrons are safe, enjoying themselves, and don't do anything wrong on the property, or to the property. Usually my nights are pretty quiet and tonight was no exception. I went outside during my break for a smoke and I heard female voices moaning and groaning just up over my head.

I took a few steps back and saw two twenty-something ladies had gotten carried away on the second floor balcony of the hotel. It was a warm night and they had been sitting outside and they had both been drinking and started kissing in the moonlight. I watched quietly as one thing led to another and soon they were both naked.

Well, this was a violation of hotel policy so I went up to their room… 228-D. I knocked hard on the door figuring they were still on the balcony. They stayed silent hoping I would go away. Five minutes later I opened door with the help of a master key. I found both of them sitting on the bed, naked. When I entered, they knew they were in trouble. Officer Harrison, I introduced myself. I explained that I had seen them kissing and fondling each other on the balcony. I told them they could be arrested and charged with public indecency and lewd and lascivious behavior.

They looked at each other. ''Isn't there anything we can do?'' the blonde asked softly as she played with her long blonde hair. "I'm LouAnne." she said as she stood up giving me a great view of her spectacular body as she slowly walked over to me. She had nice firm 36C boobs, a flat stomach, full hips and a great round ass.

She stepped up next to me and ran her hand up my chest and grazed her fingernails along my earlobe. I stood there and let her slip her hands under my shirt. Then, to my surprise, she slowly unbuttoned it and dropped it to the floor. LouAnne fell to her knees and unfastened my pants as I unbuckled my belt. She pulled my pants off and took my rapidly growing cock into her small hand.

I looked on as she started licking my hard cock like a sucker. I looked over at her friend also naked on the bed and motioned her over. ''Don't just sit there.'' I said to her. ''Get over here and help your friend out.'' It was not a request but rather an order. LouAnne looked up at me and nodded as she continued to lick my big dick. I could sense they did not want to go to jail, and certainly not for a sex crime. "Come on girl." I said in a deep baritone, ''Stop hesitating and start sucking.'' She quietly knelt beside her girlfriend. LouAnne pointed my big dick at her

"DON'T JUST SIT THERE," I SAID TO HER. "GET OVER HERE AND HELP YOUR FRIEND OUT."

mouth as a lust filled expression overtook her pretty face. ''Do it baby.'' she said. Her voice was thick with lust as she stared at my cock just inches from her mouth. ''You heard your friend.'' I said. ''She obviously wants to see you with my dick in your mouth.''

She tentatively reached out and touched my big hard cock with her hand as LouAnne groaned her approval. She felt my hardness as blood coursed through it. A drop of precum drooled from the big purple head and she stuck out her tongue to taste it. LouAnne put her hand on the back of her friend's head and gently pushed forward guiding her mouth to my big throbbing rod. She again stuck her tongue out and licked more precum from the head as LouAnne moaned loudly as she lowered her head to my ball sac. LouAnne began to furiously rub her slick wet pussy. Her lips parted wider and she took my dick in my mouth. Meanwhile, her girlfriend's tongue ran along the ridge of my long, hard shaft as precum continued to leak steadily from my big cock.

It seemed like both ladies were beginning to enjoy themselves as their heads bobbed over and under my engorged cock. Their lips were stretched wide and their hands were wrapped tightly around the slippery shaft. ''You like it, don't you baby?'' LouAnne whispered to her girlfriend as she noticed the enthusiasm with which she was sucking me. ''You like having a cock in your sexy mouth, don't you baby.'' She wrapped her fingers around my hard dick and stroked it as she continued to blow my big cock. Her head bobbed over my dick and her hand pumped my rock-hard shaft as they worked furiously to make me cum. ''Your girlfriend is quite a cock sucker.'' I said to LouAnne and all she could do is moan. Her lust had overwhelmed her as she furiously rubbed her engorged clit with her left hand while her right hand stroked and squeezed my cock.

''Ladies, I'm getting close.'' I grunted as she massaged my balls with her free hand. ''You want to drink my seed don't you?'' She moaned around my cock as her hand pumped my cock faster and faster. She wanted me to fill her mouth with my delicious cream. She was wanton with desire as she sucked my hardened cock. My balls tightened in her hand and she took my willing cock down her throat as I started to spurt. I could see her eyes water as she deep throated my spurting dick. My thick creamy goo slid down her throat as she gulped and swallowed what she could. I came hard and shot copious amounts of cum into LouAnne's mouth and down her girlfriend's throat. I watched as my man-juice filled her mouth and ran down her chin despite her efforts to swallow it all.

WHEN I CAME BACK OUT, SHE PUSHED ME DOWN ON THE BED AND STRADDLED MY HARD COCK..

I pushed her off my sensitive softening dick and walked to the bathroom without saying a word. When I came back out, LouAnne pushed me down on the bed and straddled my hard cock and rode me hard to a body shaking climax. Her tits bounced and she screamed out in ecstasy as her pussy contracted around my spasming dick. LouAnne collapsed on top of me as her climax subsided. My cum covered cock softened inside her as we lay on the bed. Her girlfriend reached over and grabbed my softening cock and began licking it again. I did not know if she

now liked sucking cock or just wanted to taste LouAnne's cum on my dick. In the end, it didn't matter. I went back to the bathroom and cleaned up. I dressed in front of the two ladies and told them to keep their affair away from the public. I headed for the door, opened it and looked back at them.

''Thanks for a good time, ladies. If you want more cock, here is my card.'' I said with a smile as tossed a business card on the chair and walked out the door.

TORI IN BLACK

I've been a loyal reader for many years and am finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl pictures. It's nice to see beautiful people doing things most of us only can dream about.

To that end, I just want to comment about Tori Black's pictorial. I love fit women and she is the cat's meow. Her lingerie outfit (even if it didn't stay on) and her enthusiasm for sex made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers.

If you could find it in your heart, and in your library, can you print just one more picture of her. It doesn't have to be a sex shot, just something that when I'm looking at the next issue, I'll see her photo and it will remind me of her in the last issue. Thanking you in advance for the picture.

– Tom B., IL

DON'T CHANGE

I do not have great story for you but I'm writing this letter because my boyfriend and I are avid readers of your fabulous magazine. As a woman, I was hesitant about reading ***Club*** until one day when he inadvertently left an issue in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like many of the eighteen year-olds in other mags.

They get me hot and by the time I finish looking them I have to masturbate right away. So I sit on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My man doesn't even get me off that fast. Darn, I hear him at the door... So keep up the great work, and please don't change a thing.

– Magda, GA

IF YOU COULD FIND IT IN YOUR HEART, CAN YOU PRINT ONE MORE PICTURE OF MADISON. – OF COURSE!

Have something to say to us, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170, W. Tropicana Ave., Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

CHLOE & KIERA

My friend Chloe's visiting from Ohio for a few weeks. She's told me she's been really horny, but she hasn't had sex. She needs a cock. I convinced her to try my tongue and fingers first. She agreed and so we played together and even had us a few orgasms. But she still wants a real man cock. She misses her boyfriend's, but may convert!
